

From Chief Guest's Keynote Address, Dr. Shashank Shah

At the SURE ProEd Anniversary event, our Chief Guest, Dr. Shashank Shah, delivered an inspiring keynote that highlighted the transformative role of education and skilling in shaping India's future. Dr. Shah commended the Tata Group's contribution to the growth of SURE ProEd and appreciated the efforts of SURE ProEd in enhancing employability among youth. He emphasized that skilling education is the true pathway to a Viksit Bharat—a vision not only of a \$30 trillion economy but also of an inclusive nation where rural and urban youth rise together. Reflecting on India's strengths, he pointed to the demographic dividend—with 60% of the population under the age of 35—and the vast human capital pool in STEM disciplines, which positions India as a potential global supplier of skilled talent.

Dr. Shah also drew attention to the energy quadrilemma, underscoring the need to balance security, access, affordability, and sustainability. He called for upgrading national capabilities to achieve net-zero status and become a truly green country. Integrating skills to address climate disruption, he noted, would not only safeguard the environment but also strengthen India's journey toward becoming a developed economy. He stressed that industry partnership is vital for SURE ProEd to ensure real-world relevance and impact in skilling initiatives. Addressing the youth directly, Dr. Shah urged them to focus on four pillars—Knowledge, Skill, Balance, and Insight—as foundations for professional and personal growth in today's VUCA world (Volatile, Uncertain, Complex, Ambiguous). His words reinforced the commitment of SURE ProEd to empower young people with the skills, values, and vision required to lead India and the world into a sustainable and prosperous future.

Dr. Shashank Shah emphasized on holistic approach, nurturing not only the IQ (Intelligence Quotient) but also the EQ (Emotional Quotient) and SQ (Spiritual Quotient) of students for success in both professional and personal life.

Release of Annual Report 2025

During the anniversary event, our Chief Guest, Dr. Shashank Shah, officially released SURE ProEd's 5th Annual Report. The report is a comprehensive reflection of our journey capturing achievements, milestones, and future ambitions. It also features heartfelt testimonials from our trainers and students, making it a true testament of our collective spirit.

SURE ProEd releases Certificate Verification System

In a step toward greater trust and transparency, SURE ProEd has launched its Digital Certificate Verification System. From now on, every certificate generated at SURE ProEd carries a unique ID and QR code, ensuring authenticity and eliminating the risk of duplication.

Anyone can easily verify a certificate's validity through our platform, making the process seamless, reliable, and future-ready. This innovation not only adds credibility to our certifications but also strengthens the value of every learner's achievement.

SURE ProEd is now on YouTube!

SURE ProEd proudly launched its official YouTube channel during the anniversary event, unveiled by our Guest of Honour, Mr. N. S. Raghavan, CEO, Titan Company Ltd. This marks a new step in sharing our journey, stories, and impact with a wider audience.

We extend our gratitude to the SURE Productions team for their dedication and creativity in making this possible. As part of the launch, the team also released a special 5-year Journey Video, capturing how SURE ProEd has grown from a small seed into a flourishing tree of learning and transformation.

“Generous Hearts That Built Us” - A Podcast Series

As part of the anniversary celebrations, SURE ProEd proudly announced the launch of its new podcast series, “Generous Hearts That Built Us”, on our official YouTube channel. This series is dedicated to honouring the many individuals—our advisors, trustees, trainers, students-turned-trainers, alumni, and volunteers—whose contributions have shaped the growth and spirit of SURE ProEd. Through heartfelt interviews, the series captures their experiences, stories, and reflections on this shared journey. It not only showcases the genesis and evolution of SURE ProEd but also seeks to build a deeper sense of oneness and belonging within our community.

During the event, the trailer of the series was released, offering a glimpse of what's to come. The full podcasts will be released in an episode format in the days ahead, giving our community the opportunity to engage with these inspiring voices.

We extend our sincere thanks to the SURE Productions team for their constant creativity, dedication, and effort in turning this vision into reality.

“ Voice of Vision

Many of life's failures are people who did not realize how close they were to success when they gave up. True achievement often lies just beyond the moment we feel like quitting, persistence is the key.

~ Thomas A. Edison
